

Congo portable solar container outdoor power

Overview

Transportable via standard shipping container, the system achieves full operational capability within 4-6 hours of arrival. Providing 24/7 clean energy with scalable solar capacity of 30-200kW and battery capacity of 50-500KWh.

Congo portable solar container outdoor power

Instant Off-Grid(TM) Shipping Containers with Solar and Batteries and AC+

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.
