

Cyprus peak shaving

Overview

There's been a lot of hype around Cyperus oil for hair removal, largely based on a study where it supposedly worked as well as laser. Unfortunately I don't think it works, and if it did work, it would be a risky product to be using. For context, my PhD is in medicinal chemistry.

Cyprus peak shaving

Modelling and energy management of a flywheel storage system

Three different objective functions for applying peak shaving are presented and their efficiency is investigated in the simulation results.
