

Fire safety regulations for lithium batteries for energy storage

Overview

Section 320 of the 2024 IFC is becoming the benchmark for lithium-ion battery storage safety. Storage regulations currently vary by state and municipality, creating compliance challenges.

Fire safety regulations for lithium batteries for energy storage

Southern California wildfire prompts evacuation orders , AP News

Crews are battling a smoky and fast-growing wildfire in windy Southern California that has forced some residents to evacuate and a community college to temporarily close its doors.

2026 California fire map

A map of wildfires currently burning in California. Fire origins mark the fire fighter's best guess of where the fire started. The data is provided by CalFire and the Geospatial Multi-Agency
