

Grid-connected type of energy storage battery cabinet for weather stations

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings

Overview

If grid power fails, the energy storage STS transfer cabinet switches to battery backup power in less than 20 milliseconds, allowing connected loads to continue operating without interruption. The cabinet also integrates AC power distribution, bidirectional energy metering, and 4G.
