Gridline Raises \$18.5M Series A to Power Private Market Investing

Gridline announces it's Series A, led by FINTOP, to power private market investing as it becomes core to wealth management portfolios.

What Are The Grid Lines On Solar Panels For?

Grid lines are carefully engineered to collect and move the electricity generated by each solar cell. They gather the electric current and guide it

Combatting Inflation with Private Credit Funds

Gridline aims to provide transparency and clarity around investment risks, fees, and liquidity while eliminating the incentives brokers might get to push certain products.

A Note from Our Founder

Gridline's mission, in the words of Co-founder & CEO Logan Henderson: a unified platform for private markets.
