

House solar inverter for sale in America

Overview

I've scoured specs, homeowner feedback, and industry trends to bring you the top 12 solar inverters for US homes this year.

House solar inverter for sale in America

Quadrafire Castile (2001) model smoke in house after Exhaust pipe

Ok first post but I have been a lurker here for the past year and found many of the post very helpful. I bought a house last fall with a Quadrafire Castile. I was having a problem with the

[crawlspcace whole-house dehumidifier vibration/noise](#)

I've installed a whole-house dehumidifier in my crawlspace. For various reasons (primarily drainage), I hung it from the floor joists above, using a simple platform made of 2x4s supporting a

[Heating a big old farm house, curious about options](#)

However, 4 kids later and we're now looking at a big old two-story farmhouse in the country. The original house was built in 1875 with a big addition in the 1920's making ~3600 square

[Stove recommendation for ICF house with 13-14' chimney](#)

Hello! This is my first post, but I've already learned a lot by reading through these forums. I'm building an ICF house on the Colorado Front Range, and I'm looking for a recommendation. The

Creosote running down outside of pipe, inside of house

The past few days, creosote is running down the outside of the pipe that is inside the house, between the ceiling and the stove. The exterior pipe looks fine. Also, this fall we had resealed

How to route chimney in a cape-cod style house

Hi all, I'm new to the forum, but I have heated with wood since I was little. We now have a house that doesn't have a chimney, and we bought an Englander (2200 sq ft model) wood stove from
