Many: Definition, Meaning, and Examples

MANY , English meaning

We use the quantifiers much, many, a lot of, lots of to talk about quantities, amounts and degree. We can use them with a noun (as a determiner) or without a noun (as a pronoun).

"Many" describes a large quantity of countable items or people, commonly used when the exact total isn't important or known. It is one of the most essential quantifiers in the English language,
