

# Is Conch New Materials a photovoltaic panel

## WORKING PRINCIPLE

## Overview

---

It provides metal material, building decoration materials, lightweight building materials, chemical product, plastic steel and aluminum alloy profiles, solar photovoltaic supporting materials, precision molds, doors and windows, and ecological panels.

## Is Conch New Materials a photovoltaic panel

---

### [Conch \(Anhui\) Energy Saving and Environment Protection New](#)

The company provides SCR denitrification catalysts, solar photovoltaic aluminum materials, ecological homes, and other new energy-saving and environmental protection products.

### Queen Conch

Queen conch is a large marine gastropod (snail) in phylum Mollusca. They are slow growing and late to mature, reaching up to 12 inches in length and living up to 30 years. Queen

### Meet the Queen Conch - Queen Conch Lab
