

Specific energy storage applications italy

Overview

Currently, the main applications for commercial and industrial storage in Italy are corporate self-use, peak shaving, and backup power. However, if future policies allow for its participation in the dispatchable market, the market is expected to expand further.

Specific energy storage applications italy

"last week/month/year/etc." (past time periods or specific points in

Hi teachers, One of the uses of the simple past is to express an action or state, recent or not, at a specific or vague past time period. We use time reference + ago to show how far back in the

specific or specifical?

Specific or specifical? Cynic or cynical? Clinic or clinical? Medic or medical? Juridic or juridical? etc. Specifical is not used. Cynic is a noun, while cynical is its adjectival form. Same thing

as at vs. as of

as at is quite common in this context to mean at a specific time/date. "As of" to me means since. "As of" only rarely means "since" in AE, and it still sounds awkward and confusing to me, so I
