

Storage demand for wind and solar power

LFP 280Ah C&I

Overview

Storage and demand response provide means to better align wind and solar power supply with electricity demand patterns: storage shifts the timing of supply, and demand response shifts the timing of demand.

Storage demand for wind and solar power

STORAGE FOR POWER SYSTEMS

Growing levels of wind and solar power increase the need for flexibility and grid services across different time scales in the power system. There are many sources of flexibility and grid services: energy
