### [THERE definition and meaning , Collins English Dictionary](#)

You use there in front of certain verbs when you are saying that something exists, develops, or can be seen. Whether the verb is singular or plural depends on the noun which follows the verb.

### **THERE , English meaning**

We can use there at the start of a clause as a type of indefinite subject. This means that we can put the actual subject at the end of the clause and so give it emphasis or focus (underlined below):

### **There: Definition, Meaning, and Examples**

There (interjection): Used for emphasis or reassurance. The word "there" can refer to a place, be used to introduce a sentence, or act as a filler when stating something exists.
